

Johnsonite

Mesto® Configurations™

RUBBER TILE AND PLANKS

 **Tarkett**

Nature's influence

Originally developed with healthcare and education spaces in mind, Mesto Configurations was inspired by nature's ability to impact how we learn and heal. Each of the line's 12 color groupings offers subtle patterning and three distinct tones (light, medium, and dark), to softly reflect the organic color shifts found in the natural environment. Combined with rubber tiles' ability to comfort underfoot, absorb sound, and provide slip resistance, the collection is ideal for any design seeking to promote an overall sense of safety and wellbeing.

One of a kind

With three tile and two plank sizes, Mesto Configurations offers a variety of distinctive layouts, so each installation is unique. Choose from 6" x 6", 12" x 12" or 24" x 24" tiles, and 6" x 24" or 12" x 24" planks in any colorway. We can also match any custom color in light, medium, and dark tones, helping you carry these organic color shifts throughout the space.

Mesto Configurations

36 colors | 6" x 6" | 6" x 24" | 12" x 12" | 12" x 24" | 24" x 24"

Wall base coordinates key

* We've identified Color Foundations® neutrals in the following way:
WB (Warm Beige), **CB** (Cool Beige), **WG** (Warm Grey), **CG** (Cool Grey), **B** (Black), **W** (White).

* Suggested colors for finishing borders (wall base).
 Coordinated Johnsonite® Accessories are a printed approximation. Please refer to the Color Guide for accurate color representation.

Tarkett Solution SPECTrum™

Design more brilliantly.

At Tarkett, we believe in placing people in the center of every space. So we've developed a portfolio of products designed to work together both functionally and aesthetically, helping you create more supportive spaces that maximize return on investment. Our full palette of colors, patterns and textures is coordinated to work together visually across product categories—creating the perfect balance for people, planet and performance.

The BrillianceSM Digital Color System puts the entire Tarkett Solution SPECTrum portfolio at your fingertips—no matter where you happen to be working. Within one digital tool, you can save favorite surfaces to project boards, visualize them in a space and order samples. By getting the right color match every time, the tool reduces sample waste and shipping, helping us all design more responsibly and reduce our carbon footprints.

Every step matters

Tarkett's holistic approach to sustainability is woven into the fabric of how we do business and sits at the heart of our day-to-day decision making.

For decades, we've been scrutinizing every detail of our business for its impact on resources like soil, water, air, and climate—because when you're trailblazing a more sustainable future, **every step matters**.

These three values help us stay the course when it comes to sustainability.

 <h3>Transparency you can trust</h3> <p>We subject our products to relentless scientific scrutiny and third-party testing, then provide customers with radical transparency about our materials, operations, and corporate business practices.</p>	 <h3>Circular economy</h3> <p>We're committed to creating a circular economy where nothing goes to waste by designing products with their end of life in mind. This means always interrogating the health, safety, environmental, and social impacts of our materials.</p>	 <h3>Healthy impacts</h3> <p>We've made material choices across our entire portfolio that support better indoor air quality and better outcomes for every living thing. Responsible flooring design not only improves aesthetics; it directly impacts the health of the people who occupy interior spaces.</p>
---	---	---

The **proof** is in the numbers.

Holistic approach

Certifications you can trust

Transparency you can trust

Setting the standard

Global excellence

94%

of our raw materials are third-party assessed for their impact on human and environmental health based on Cradle to Cradle criteria.

2011

started working with EPEA to integrate Cradle to Cradle principles into every facet of our business

100_{ppm}

raw materials content revealed down to 100 parts per million

When most manufacturers reveal raw materials content down to just 1,000 ppm, there's simply no contest.

We've been providing Material Health Statements since 2013 to give you peace of mind about the content of our products.

99%

of flooring solutions have low VOC emission levels—10x lower than the most stringent world standards.

100%

ortho-phthalate-free vinyl production; first company to eliminate ortho-phthalates from all products

2010

first flooring manufacturer to join the UN Global Compact

2016

Began reporting to the Carbon Disclosure Project (CDP). In 2023, Tarkett scored A-, the CDP management level.

2020

first assessment by EcoVadis. In 2023, Tarkett's score of 74/100 earned us a Gold medal and placed us in the top 2% of rated companies.

2023

Climate target approved by SBTi (Science Based Targets initiative). Targeting 30% GHG emissions reduction and increase of 30% recycled content across all products by 2030.

69%

of raw materials are abundant, rapidly renewable or recycled.

2013

first commercial flooring CERTIFIED **asthma & allergy friendly**[®]

2022

Powerbond[®] RS is the first soft surface product in the industry to be CERTIFIED **asthma & allergy friendly**[®].

13

zero-waste-to-landfill manufacturing plants

1.5 million lbs

of flooring recycled in 2023 in North America

At Tarkett, social and environmental responsibility aren't add-ons. They're woven, stamped, and sealed into everything we do. **But more importantly, we don't just say this, we prove it.**

MADE RIGHT MEANS JOHNSONITE

Since the early 1960s, the Johnsonite name has been synonymous in the flooring industry with lasting quality, creative flexibility, and unwavering integrity.

With the category's broadest selection of patterns, textures, colors, and profiles—plus the ability to match any tailored palette with quick lead times and low minimums—we'll help you turn what used to be basic rubber tile and finishing accessories into fully coordinated design statements.

We come to work every day to help you win, crafting solutions you can rely on. That's why Made Right Means Johnsonite.

Discover Johnsonite

ColorMatch® palette

We'll perfectly match 32 leading colors across Johnsonite's rubber and vinyl product categories without dye lots

Design flexibility

Industry's broadest selection of colors, patterns, textures and profiles

Healthy materials

Free of ortho-phthalates, PFAS and antimicrobials

Made in USA

Designed and manufactured in USA; Buy American Act Compliant

Tailored by Tarkett

Precisely match any color with quick lead times and low minimum order quantities

Meet Tony, the production manager who helps ensure that all Johnsonite products are made right, including the expanded Millwork collection now available in four new profiles and more than 100 stylish colors. If you don't see the color you need, Tony and his team will create it for you with quick lead times and low minimum order quantities.

ColorMatch®

Perfectly matched flooring and accessories, made easy. This designer palette of leading colors is coordinated across multiple product categories with no dye lots...ever! Our rigorous manufacturing and quality standards enable you to confidently mix and match a color across all Johnsonite rubber and vinyl products, including flooring, finishing borders, and finishing accessories. We guarantee these colors will match year after year, product after product.

Mesto Configurations floor designs

Picture the possibilities

Mesto Configurations can help bring your wildest dreams to life, offering unlimited ways to create your own one-of-a-kind floor designs. We started with eight standard colorways. Added a corresponding light and dark tone for each. Then made them all available in five distinct sizes, to make your design possibilities virtually limitless. You're about to discover a variety of ways to put together a Mesto masterpiece.

Feel free to replicate these ideas or use them as inspiration for your own custom creation.

Mesto Configurations specifications

Technical data	Standards	
Type of floor covering	ASTM F1344	Rubber floor tile
Classification	ASTM F1344	Class 1-A and 1-B
Total thickness	ASTM F386	.080" (2.0 mm) standard
Static load limit	ASTM F970	250 psi
Chemical resistance	ASTM F925	Passes
Resistance to heat	ASTM F1514	$\Delta\Sigma \leq 8.0$
Hardness	ASTM D2240	Min 85 Shore A
Size/squareness	ASTM F2055	Passes
Dimensional stability	ASTM F2199	Passes
Abrasion resistance	ASTM D3389	< 1g loss after 1,000 cycles
Slip resistance	ASTM D2047	SCOF ≥ 0.5
Flame resistance	ASTM E648	Class 1 ≥ 0.45 W/cm ²
Smoke density	ASTM E662	< 450
Warranty		5 years
Tile/plank size	6" x 6"	(15.2 cm x 15.2 cm) Tiles Standard
	12" x 12"	(30.5 cm x 30.5 cm) Tiles Standard
	6" x 24"	(15.2 cm x 61 cm) Planks Standard
	12" x 24"	(30.5 cm x 61 cm) Planks Standard
	24" x 24"	(61 cm x 61 cm) Tiles Standard
Custom	(specify size) Tiles/planks	Special order
Quantity (per carton)	6" x 6"	= 240 tiles 60 sq. ft. (5.6 m ²)
	12" x 12"	= 60 tiles 60 sq. ft. (5.6 m ²)
	6" x 24"	= 60 planks 60 sq. ft. (5.6 m ²)
	12" x 24"	= 30 planks 60 sq. ft. (5.6 m ²)
	24" x 24"	= 12 tiles 48 sq. ft. (4.5 m ²)
Weight (per carton)	48 sq. ft.	= 36 lb. (14.2 kg)
	60 sq. ft.	= 45 lb. (17.7 kg)
Colors		36 standard; custom available
Surface texture		Hammered (MHO), other textures available by special order

Please visit tarkett.com for the most updated specifications, installation, cleaning, and maintenance instructions.

How to Order: Surface Code – Color Number – Size Thickness (Example: MHO-PS1 – 485 – 6" x 24" – .080")
